PROFILE

I'm a freelance video producer from Ireland with experience working both independently and as part of a team. I began my career working as a solo wedding and event videographer where you only have one chance to get the shot. Today, this run-and-gun approach helps me to capture candid moments and work comfortably under pressure.

EXPERIENCE

● FREELANCE SHOOTER & EDITOR

EWTN

📅 Present

📍 New York, NY

Focused on human interest stories for News Nightly/Online. Set up and operated Live Broadcasts to News Nightly. Editing on Catholic Scandinavia Series. Credited as Cameraman on Vaticano special from NYC. Created graphics package for EWTN News.
